Dear Mr. Barak,

Good afternoon.

I am much favoured with the possibility to communicate with you. It is really a great honor.

Viktor was trying to reach you by phone this morning and left his message at your voice messages box. Surely will try to arrange your telephone call with Viktor. Will pass to him your request. I think he will be able to call you again not earlier then the nearest 6 hours as he is at the Government/Kremlin at the moment.

Could I ask you to provide me with the details of the company, which will be the contractor in the consulting agreement with Renova? From our side it will be “Renova management AG (Zurich)” – the Renova’s parent entity. Are you ok with it? The draft of the contract will file to you in the nearest days.

Wish you the very best in your trip.

Yours faithfully,

Yakov Tesis
